Pigskin Pre/School  
31 Stanley Hall  
Columbia, MO  
65211

Dear Pigskin Pre/School User:

The Department of Human Development and Family Studies and the College of Human Environmental Sciences and UMC are once again offering child care for children 18 months through ten years of age during the 2009 Home Football Season.

The price for childcare during the 2009 MU Tiger Football games will be \$60 per game for children aged 18 months to 2 ½ years, and \$50 for children over 2 ½ years. Each additional sibling is \$40 per child. For example, a child under 2 ½ years with a sibling over 2 ½ years will cost \$100 for one game. **For children who turn 2 ½ during the season, the price will be based on the room the parent wishes the child to be in.**

If you *prepay* for the entire season, you will get one game **FREE**. To guarantee your reservations, prepayment is required for each game. There are **NO REFUNDS**. If you reserve a space without prepayment and fail to call to cancel your reservation, you will be charged for that game.

Attached you will find an application form to review and return in order to reserve a spot for the games you plan to attend. You will also find a policy statement, which offers further information concerning the program.

Thank you for your support! We would appreciate if you would share information about Pigskin Pre/School with others that may be interested. We look forward to a successful season for your children and the Missouri Tigers!!!

Sincerely,

Richard Feistman and Justine Marty

Pigskin Pre/School provides child care during Missouri home football games for children ages 18 months to ten years. Children are separated by age into several groups. **Prepayment** for each child care session is required. Checks for services are made payable to the University of Missouri. **There will be no refunds.**

**The center will open 2 hours before kickoff.** Upon arrival, please check in at the main desk in front of 31 Stanley before taking your child to the appropriate room.

**You must bring a lunch/dinner** for your child to eat at the center. A snack will be provided for each child in the afternoon/evening.

Please dress your child in appropriate play clothes. We will involve the children in art activities and outdoor play. If you plan to go out after the game it would be a good idea to bring extra clothing. Do not forget extra clothes if your child is in the potty training stage. Please remember to send diapers and wipes if applicable.

**Please label everything you bring from home** with your child's name. This will prevent confusion between the MU Child Development Laboratory's belongings and yours.

If your child displays signs of ill health (diarrhea, fever, etc.) do not bring him/her to Pigskin Pre/School

If for any reason you will be unable to attend the football game please contact 573.884.6131 to let us know of the cancellation as soon as possible. We often have a waiting list of children who would like to attend.

Parents of toddlers and younger children should allow themselves 10-15 minutes to provide detailed written information to the room teacher concerning feeding and care of your child before each game. Please allow yourself enough time for completion of these additional forms.

---

In case of a medical emergency, I understand that the staff will use the most readily available medical services and contact me as soon as possible. Currently, my child is in good health.

I agree to release and hold harmless the University of Missouri and its officers, directors, employees, and agents and particularly the Child Development Lab, the teachers, and volunteers.

I give permission for photographs to be taken for educational purposes. I grant permission for my child to participate in walking field trips away from Stanley Hall.

I understand prepayment must be made for each child care session. There are no refunds.
