Tentative Class Ranks, Class of 2011

**NOTE:**

1. These ranks are still **TENTATIVE**;
2. They are subject to **Grade Appeal**;
3. They are subject to **Error Correction**;
4. They are based on what the MyZou system says is your **Class Year**—the School of Law may agree with you that your class year is different and we will work to make some changes.

Final Ranks should be available sometime in February.

Those who wish to use these ranks for any purpose should probably indicate that their rank is “Tentative.”
