Recent Employment

School of Law, University of Missouri

Ruth L. Hulston Professor of Law (since 1995); Associate Professor of Law (1986-95)

Subjects: Health Care Law & Policy; Torts; Education Reform Law.

Leave of Absence, 2008 and 2009, to serve as Executive Director of First Chance for Children, a nonprofit whose mission is to close the racial and poverty achievement gaps by focusing on the years before entry into kindergarten.

Faculty Fellow, MU Center for Family Policy & Research; MU Center for Health Policy; MU Center for Clinical Ethics; MU Life Sciences & Society Program

Associate Dean for Faculty Research & Development (Aug. 2002-July 2004)

Responsible for faculty recruitment, speaker series, work-in-progress workshops, the faculty research leave program, development of interdisciplinary academic programs, and participation in a re-accreditation self-study report.

Director, MU Biotechnology & Society Program (2000-2005)

Founding director of an interdisciplinary initiative to examine the social, ethical and legal implications of agricultural and human biotechnology.

First Chance for Children

Executive Director (Jan. 2008-Nov. 2009). Nonprofit organization whose mission is to close the race and poverty achievement gaps through early education (birth-to-five).

Merck Visiting Scholar, Seton Hall Law School, Fall 2005 (one week endowed visitorship).

University of Houston Law Center (visitor for intersession class January 2008)

Scholarship

I. Current projects

Vestiges: A History of the Achievement Gap (exploring the role of government intent in creating the achievement gap)

The Lifecycle of the Achievement Gap (reviewing the research identifying when the gap first appears and how it grows in size through elementary school, but is relatively stable thereafter).

Closing the Achievement Gap through "Parent Education:" the Maternal, Infant, and Early Childhood Home Visiting Program of 2010.

FROM AFFIRMATIVE ACTION TO EARLY EDUCATION: CLOSING THE RACIAL ACHIEVEMENT

Twenty-Three Years of Missouri Malpractice Reform (a review of the data on Missouri malpractice litigation between 1986 and 2009).

Medical End-of-Life Decisions (with David R. Mehr, MD and others; a domestic replication of the Dutch survey of physician practices at the end-of-life)

II. Publications

A. Books

HOW SAFE IS SAFE ENOUGH? OBLIGATIONS TO THE CHILDREN OF REPRODUCTIVE TECHNOLOGY (Oxford University Press, 2004)

B. Book Chapters, Anthologies or Entries

The Nonidentity Problem and Procreative Liberty in HARMING FUTURE PERSONS: ETHICS, GENETICS AND THE NONIDENTITY PROBLEM (Melinda Roberts, PhD & David Wasserman, PhD, eds. Springer 2009).

“Legal Barriers to Consumer Information Regarding Genetically Modified Foods,” in THE ETHICS AND POLICY OF LABELING GENETICALLY MODIFIED FOOD (Paul Weirich ed., Oxford University Press, 2007) (co-authored with Thomas Lambert)

“Harming Future Persons: Obligations to the Children of Reproductive Technology” in LEGAL AND ETHICAL ISSUES IN HUMAN REPRODUCTION (Bonnie Steinbock ed., Ashgate, 2002)

“Obligations to Future Persons,” ENCYCLOPEDIA OF BIOETHICS (3rd edition, 2003).
