III. Course Policies

COVID-19 – Communication, Accommodation and Pivot Plan

To provide safe, high-quality education amidst the COVID-19 pandemic, specific campus policies in accordance with the advice of the Center for Disease Control and Boone County health authorities will be followed. Please note the following safety rules and standards.

- **If you are experiencing any COVID-related symptoms**, or are otherwise feeling unwell, **DO NOT** attend in-person classes and contact your health care provider and/or student health immediately. COVID symptoms include: fever greater than 100.4 or chills; cough, shortness of breath or difficulty breathing; fatigue; unexplained muscle or body aches; headache; new loss of taste or smell; sore throat; congestion or runny nose; nausea or vomiting; diarrhea.

- All are required to wear **face coverings while in the building**, unless you have a documented exemption due to a disability or medical condition or are eating in the kitchen and sub-plaza of the library. I will be wearing a face shield while teaching.

- Maintain a **6-foot distance from each other at all times where possible**.
• A Seating Chart with your assigned seat number will be provided. Please enter the classroom and fill in the rows from the front of the room to the back, filling all the way across a row.

• When class ends, you will exit the row nearest into courtyard. I will release you by row.

• Compliance with these guidelines is required for all; anyone who fails to comply will be subject to the accountability process, as stated in the University’s Collected Rules and Regulations, Chapter 200 Student Code of Conduct.

1. Communication

All communications for the course will made either through MyZou or Canvas. Please make sure that if you use a personal email account that your official University of Missouri email is either forwarded to your personal email or that you are able to easily and readily access. If you need to communicate with me, the best form of communication is through email or you can leave a voicemail on my office phone and I will respond accordingly.

2. Accommodation

If you are unable to attend class because you have symptoms of the coronavirus, you tested positive for coronavirus, you have been contacted because you were in close contact with someone who tested positive, or your COVID-19 Accommodations Request for Remote Learning, class will be conducted synchronously through, recorded and uploaded to the course site on Canvas. This course may be recorded for the sole purpose of sharing the recording with students who can’t attend class. I will take care not to disclose personally identifiable information from the student education records during the recorded lesson.

In the event that there is no video recording, the course will be audio recorded and that recording will be uploaded to the course site on Canvas. If you have a need for an accommodation that manifests during the semester, please reach out and let me know to discuss the best way to support you during your absence from class.

3. Pivot

If the University of Missouri or the School of Law is required to go remotely with no in-person or face-to-face classes, the classes will continue to be held at the same time on the days currently scheduled. The course will be taught online asynchronously, and will utilize zoom as the mode of course engagement and interaction. The course may also use breakout rooms in zoom, videos posted on Canvas, and other tools of online engagement to foster small group discussions to advance the Learning Outcomes for the course.
