Lawyering: Problem-Solving and Dispute Resolution
Law 5095  Sections 2A & 2B
Fall 2020

Required Texts:
- Additional required readings will be posted or linked to on the Canvas site referred to below.

Course Website:
A course website titled “2020FS 5095 (Wells, 2A, 2B)” has been created for both sections of Lawyering using the Canvas learning management system. It will be available, starting at or about one week before the first class, at: https://courses.missouri.edu. Access is by your university pawprint. I will post all course materials, including slides, assignments, the course syllabus, etc. on this course website.

Reading for 8/25:
For the first day of class read the following:
- Krieger & Newman, Ch. 1
- Tech Competence Handout (available on Canvas)

We will discuss the basics of course content and expectations and do an in-class exercise.

Also, although we are highly tech centric, please have 8X11 or 8X14 paper and a dark pen available in class every day. Although Zoom allows shared screens, sometimes the easiest thing to do is just hold up a piece of paper when we are sharing information from in-class work.
