

# ELDER LAW PROS

For our first class on Tuesday January 19, please do the following:

1. Purchase a copy of Ralph Brashier, *Mastering Elder Law* (Carolina Academic Press 2d ed. 2015). Read Chapter 1, Elder Abuse, for our class on Thursday, January 21.
2. Go to the Canvas site for the course and work through Module 1 on Demographics. This includes watching a 4-minute video and reading several short articles dealing with aging trends and my article on what Elder Law is about.

Except for the Brashier book, everything for the course (Syllabus, assignments, etc.) will be on Canvas.
