

BASIC INCOME TAX

First Day Assignment

For the first class on Monday, August 23:

- (1) Familiarize yourself with the Canvas page for the course, available at umsystem.instructure.com.
- (2) Go to <https://www.cali.org/books/basic-income-tax> and download the text Kratzke, Basic Income Tax, 9th Edition, 2011-2022, which is available for free. For those wishing to purchase a hard copy, the book will be available soon from Lulu.com at reproduction cost. Readings from this text have also been linked to the various assignments on the Canvas page.
- (3) Purchase a current copy of Lathrope, Selected Income Tax Statutes and Regulations (West Academic), available at the University Bookstore and elsewhere.
- (4) Do Assignment 1(1) and 1(2) in Module 1 on the Canvas page. This involves reading pages 1-15 of the Kratzke text and working through a couple sets of PowerPoint slides. We won't be looking at the Code until we reach Module 2, likely on Friday, August 27.
