- (1) Purchase the book, *Mastering Elder Law* (2d ed. 2015), which is available at the University Bookstore. Readings from the text, *Mastering Elder Law*, will begin with Module 2, which we will get to on Wednesday, August 25.
- (2) Familiarize yourself with the Canvas page for the course, available at umsystem.instructure.com
- (3) Work through Module 1, *The Demographic Challenge*, on the Canvas page. Read both the assigned articles and PowerPoint slides and watch the 4-minute video. I will send out questions for you to contemplate concerning Module 1 prior to the first class.
