For the first class on Monday, August 23:

- (1) Decide whether you will purchase the book, McGovern, Kurtz & English, *Principles of Wills, Trusts & Estates* (2d ed. 2012), available at the bookstore (the “Book”). The Book is also included in the Law School’s online package of West publications.
- (2) Familiarize yourself with the Canvas page for the course, available at umsystem.instructure.com
- (3) Read Assignment 1 in Module 1 on the Canvas page. This includes the reading of Chapter 13.1 of the Book and the reading of my short article, *Questions on Estate Planning*. You should also glance at Chapter 1.1 of the Book and Section 1-201 of the Uniform Probate Code. These are glossaries of terms that you will be using throughout the semester.
