Dear students,

I hope you were able to have a restful break. The classroom portion of the clinic will be from 4:30-6:00 p.m. on Mondays in Room 107. The clinic is four credits, so you will be required to work approximately 15 hours a week. You will work in teams of two with weekly meetings to discuss your progress.

Prior to our first class on January 24th, please finish reading *An American Marriage* by Tayari Jones. While you are reading, think about how the author tells the story of the novel. How did you respond to the narrative? Was it compelling for you? Why or why not? In addition, please review the syllabus and practice manual prior to our first class. I will post those materials on Canvas by the end of this week.

Please contact me if you have any questions or concerns or would like to check in. I very much look forward to working with you all again this semester.

Kindly,
ESD
