Remedies
Law 5870
Spring 2022

Course Website:
A course website titled “LAW-5870-01-50064-2022SP-REMEDIERS” has been created for this course using the Canvas learning management system. It will be available, starting about one week before the first class, at: https://courses.missouri.edu. Access is by your university pawprint. I will post all course materials, including slides, assignments, the course syllabus, etc. on this course website.

Reading for 1/18:
For the first day of class, read L&H, pp. 1-18. There will be slides posted on the Canvas site under Module 1 that you should read as well. Pay particular attention to the questions raised in the slides.

Course Set-up
This class meets face-to-face on Tuesdays/Thursdays at 10:30 in the courtroom (room 112). I will use the CANVAS course management system to post readings, slides and any problems we will do in class prior to that class. Please be prepared for each class by reading all three sets of materials prior to class.
